Public Announcement of Referral Period

Public Notice

Wildorado ISD will be accepting referrals for students who may need Gifted/Talented Services for the school year. This program is designed for students who exhibit intellectual and creative thinking abilities at an extraordinary level not normally served in the regular classroom. Services are provided only upon identification of education needs of the student. Anyone wishing to refer a student attending Wildorado ISD in kindergarten through twelfth grade this school year is asked to go by the student's campus office and request a copy of the referral form. Those unable to go by the office should call the school office to request a form be sent to them. There will be an open referral January 10-21 where students can be referred for GT. Referral **will not** be accepted after the deadline. Testing will take place in January. Once testing is completed, parents will receive a letter that states if the student qualifies or not for the program.

Sincerely,

Angela Roberts
Administrator of Federal Programs
