

Wildorado ISD
OTC MEDICATION AUTHORIZATION FORM

Note: This form should not be used for diabetes, seizure, asthma, or allergy medications.

Only medications that are required to enable a student to stay in school may be given at school. Three times a day medication should be given before school, after school, and at bedtime. If necessary, medication can be given at school under the following conditions:

1. Over-the-counter medication (including cough drops) must be brought in by an adult in the original container with the label intact and non-expired. **MEDICATION SENT IN BAGGIES OR UNLABELED CONTAINERS WILL NOT BE GIVEN AND WILL BE DESTROYED.**
2. All medications need a physician signature **and** a parent/guardian signature. Any change in dosing will require a new order accompanied by physician signature and parent/guardian signature. **NO MEDICATION WILL BE GIVEN WITHOUT A PARENT/GUARDIAN **AND** PHYSICIAN SIGNATURE.**
3. Medication prescribed or requested to be given three times a day or less will not be given at school unless a specific time of administration during school hours is prescribed by a physician.
4. **The first dose of any medication must be given at home before it can be administered at school.**

OTC MEDICATION ADMINISTRATION AT SCHOOL

Student _____ Date _____ Grade _____ School Year _____

Known Allergies _____

(Form is valid for the current school year, including summer session)

***If orders for OTC medication use are included on an Action Plan signed by a physician, attach a copy of the Action Plan to this page in lieu of this physician signature.**

WISD Student Health Services

August 2024

PARENT/GUARDIAN CONSENT:

- I request that designated personnel of WISD administer the medication listed to my child according to physician instructions.
- I understand that WISD personnel will not administer medication if this form is not completed, or the medication is not furnished as required.
- I understand that the Board, the School District, and its employees shall be immune from civil liability due to allergic reactions or other injuries resulting from the administration of medication to my child, provided such administration conforms to the requirement of this policy.
- I understand that the Nursing Practice Act and Texas Administrative Code §217.11 (D)(vi) compels the RN or LVN to contact other health care team members, including the prescribing physician, concerning significant events regarding the patient's status.
- Medications that have not been picked up from the school clinic before the end of the school year will be properly disposed of.
